

We realise your investment

A close-up photograph of a person's hand holding a pen over an open document. The background is softly blurred, showing a cup of coffee on a saucer. A semi-transparent dark grey banner is overlaid across the top half of the image, containing the text 'We invest in'.

**We invest in**

**Immovables**

**Movables**

# Who are we for PPP?

ASA INTERNATIONAL is a capital  
group specializing in:

## Immovables

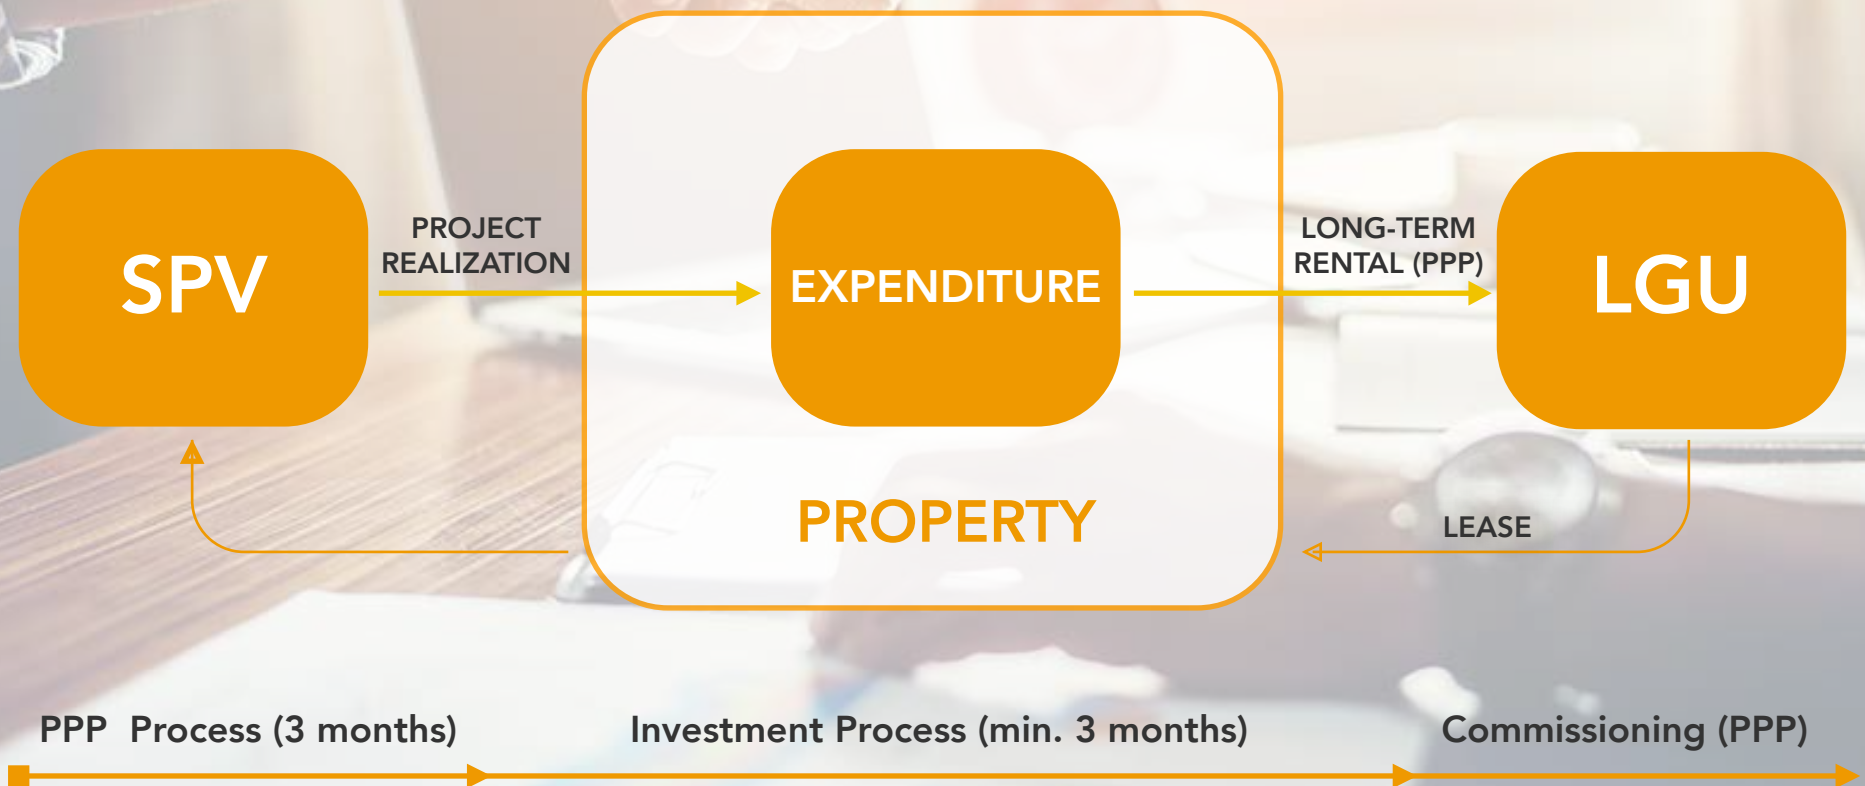

- roads and technical infrastructure
- public buildings e.g. hospitals, schools, kindergartens, swimming pools, gyms, funeral parlours etc.
- utility infrastructure e.g. street lighting, waterworks, sewage system, sewage treatment plant etc.
- renovations, expansions e.g. thermal insulation, addition or renovation of a hospital ward etc.

## Movables

- appliances and fittings of public buildings
- special vehicles for road or waterworks maintenance

# PPP model BTL

# Sharing risks and tasks

## Private partner:

- capital risk
- performance risk
- maintenance risk

## Public partner:

- management risk
- control risk
